

Most Catalog Values in this Auction are 2016 or 2017 Scott Values. Please Note that Scott has adjusted their Catalog Values such that "Current" Catalog Values reflect the actual current Retail Value (VF condition). The Scott Value for MNH is used where available for Never Hinged stamps. The **"Suggested Value"** is our estimate of the current Retail Value of the specific lot based on condition and true quantity. This takes into account centering, faults, freshness, original gum, quality, duplication and other factors not reflected in the Scott Catalog Value. The **"Suggested Value"** is NOT a minimum bid; but it does reflect the actual market value of the particular lot, and bids substantially below the **"Suggested Value"** are not likely to take the lot. We reserve the right to reject any bid which we believe to be unrealistic. NOTE: We use the following symbols in our catalog.

E - Estimate of Catalog Value F - Face Value (\$ U.S.)
 M - Est. (\$ U.S.) Michel Catalog R - Retail Value (\$ U.S.)
